Looking back over the years we can't help but think of all it took to make "our" class the class it is: Welch's parties . . . college mixers . . . going to the Senior Lounge and not quite making it . . . Valkyrie? . . . Lavender's parties . . . The C.V.I. . . . the V.V.S. football game of '72 . . . New Years Eve . . . Pizza Inn . . . sitting on the wrong side of the sidewalk . . . bomb scares and fire drills (anything to get out of class) . . . soccer games . . . the Sadie Hawkins Dance . . . getting kicked out of the Library . . . the Cotillion . . . sports events . . . the Senior bulletin board . . . Fabius dances . . . finding better things in lower grades . . . oh yeah-and once in a while we did make it to class.

YRACUSE

In October the Sophomore class lost a valuable member when Nancy Charron moved to New Jersey. Intelligent, friendly, and good looking, Nancy was a great asset to the class and those around her. Even though she was able to serve for only one month as class secretary her ability to lead the class was clearly marked. Feeling that we have lost an important part of our class, we, the class of '75, would like to give this dedication to Nancy Charron.

The Faithful Yearbook Staff

Now that we come to the last page of this hallowed memory book which was cherished, fondled and generally treated with loving care, we must (sob, sob, sob) now say good-bye to our baby. Some people who will probably remember the many nights at the school having a corking good time working on the yearbook and who deserve to be mentioned are: Miss Perry and her infinite (potentially, that is) patience, Wim and Peter for all those photographs, and the innumerable drones who came to the meetings and sweat sessions.
